**DECLARATION OF BARRY SALZMAN IN SUPPORT OF
THE *MANDELKOW* PLAINTIFFS'
MOTION FOR PARTIAL FINAL JUDGMENTS**

Barry Salzman, Esq., hereby states under penalty of perjury as follows:

1. I am an attorney representing the Plaintiffs in the above-captioned matter (the “*Mandelkow* Plaintiffs”) in the above-captioned litigation.
2. I submit this declaration in support of the present motion for entry of partial final judgments against the Islamic Republic of Iran (“Iran”) on behalf of the *Mandelkow* Plaintiffs in the amounts listed in the exhibits attached hereto as Exhibits A and B.
3. The form of the present motion and the relief requested therein are intended to comply with the following orders of this Court:
 - a. The Court’s order dated January 24, 2017 (ECF No. 3435), requiring that “[a]ll further motions for final judgment against any defaulting defendant shall be accompanied by a sworn declaration attesting that the attorney has complied with the due diligence safeguards [referenced in Section II.D. of the January 23, 2017 letter from the Plaintiffs’ Executive Committee (ECF No. 3433)] and (2) personally verified that no relief has previously been awarded to any plaintiff included in the judgment (or, if relief has been awarded, the nature of that relief).” For compliance with the required sworn declaration, please see below.
 - b. The Court’s Order dated October 14, 2016 (ECF No. 3363) concerning the amounts of solatium damage awards.
 - c. The Court’s Order dated October 28, 2019 (ECF No. 5234) setting forth updated procedural rules.

4. The source of information and the basis for my belief in the statements contained herein are my personal involvement in this matter, my firm's representation of the *Mandelkow* Plaintiffs in connection with the September 11 terrorist attacks, my work in connection with the September 11 terrorist attacks, communications with the family members of the individuals killed as a result of the September 11 attacks, court records relating to the *In re Terrorist Attack on September 11, 2001* multidistrict litigation to which the *Mandelkow* Plaintiffs are parties, my communications with other counsel for other plaintiffs in the *In re Terrorist Attack on September 11, 2001* multidistrict litigation, and documents and records relating to the *In re Terrorist Attack on September 11, 2001* multidistrict litigation. Any matters about which I lack personal knowledge are asserted herein upon information and belief.

5. I have been retained by the *Mandelkow* Plaintiffs individually to pursue recovery for their wrongful death damages and solatium injuries arising out of the deaths of the decedents.

6. I have verified that the *Mandelkow* Plaintiffs identified in Exhibit A are each an immediate family member of an individual who died as a result of September 11 terrorist attacks, as specifically set forth in Exhibit A, and that each family member listed in Exhibit A did in fact suffer solatium losses as a result of the injuries to the September 11 decedent that resulted in that decedent's death. Exhibit A also includes the estates of family member plaintiffs who are now deceased; in each case, I have verified that the family member plaintiff suffered solatium losses prior to his or her death as a result of the injuries to the September 11 decedent that resulted in that decedent's death.

7. I have verified that each of the *Mandelkow* Plaintiffs identified in Exhibit B died as a result of the September 11 terrorist attacks.¹ Attached to this Declaration as Exhibits C and

¹ Due to uncertainties regarding potential limitations on recovery from the September 11 Victim's Compensation Fund for certain direct victims of the September 11 terrorist attacks, the personal representatives for the estates of

D are true and correct copies of documents establishing for each decedent that the decedent's death was caused by the September 11 terrorist attacks.²

8. With respect to each estate plaintiff listed in Exhibit A or B, the personal representative has confirmed that he or she was appointed by the relevant court as the personal representative of the estate.

9. I have verified that each of the *Mandelkow* Plaintiffs, or the relevant decedent for each estate plaintiff, was a United States citizen as of September 11, 2001.

10. I have complied with the due diligence safeguards referenced in Section II.D. of the January 23, 2017 letter from the Plaintiffs' Executive Committees (ECF No. 3433) by verifying with information provided by the Plaintiffs' Executive Committee that the *Mandelkow* Plaintiffs have not sought nor been awarded any of the damages requested in the present motion for entry of partial final judgments, nor do any of them have a pending motion before this Court for compensation arising out of the September 11 terrorist attacks.

11. The damages amounts set forth in Exhibit A are the figures this Court has previously determined appropriate for solatium losses based on familial relationship to the September 11 decedent. *See, e.g.*, ECF Nos. 2618 at 11; 3300; 3358 at 9; 3363 at 16; 3666, and 4023.

12. The damages amounts set forth in Exhibit B are the figures this court has

certain individuals killed as a result of those attacks have not filed claims for those estates in this litigation at this time, but certain family members of those decedents have filed claims. Accordingly, while each family member listed in Exhibit A has a compensable claim for damages for his or her pain and suffering, not every family member listed in Exhibit A corresponds to a decedent listed in Exhibit B.

² The attached Exhibits contain documentation from the September 11th Victim Compensation Fund ("VCF") administered by the U.S. Department of Justice, which adjudicates claims for victims eligible for compensation due to injuries suffered "as a direct result" of the September 11 terrorist attacks and their aftermath. 28 CFR §104.2. Accordingly, attached to this Declaration is (1) the regulatory authority and VCF documentation establishing the criteria for eligibility for compensation from the VCF; and (2) for each *Mandelkow* Plaintiff who died as a result of the September 11 terrorist attacks, the official letter from the Special Master of the September 11th VCF determining that the victim "has met the eligibility criteria established in the statute and regulations."

13. Simultaneously filed herewith is a “[Proposed] Order of Partial Final Default Judgments on Behalf of *Mandelkow* Plaintiffs Identified at Exhibits A and B” (the “Proposed Order”) conforming with the Court’s previous orders. This Proposed Order and exhibits thereto contain pain and suffering damages reflecting the amounts previously awarded to those killed as a result of the September 11 terrorist attacks, and solatium damages reflecting the amounts previously awarded to immediate family members of those killed as a result of the September 11 terrorist attacks.

14. Accordingly, I respectfully request that this Court grant the *Mandelkow* Plaintiffs’ present motion for entry of partial final judgments against Iran, enter the simultaneously filed Proposed Order, and award damages in the amounts listed in the exhibits attached hereto as Exhibits A and B.
